

ORTHOPTERA.

By W. J. LUCAS, B.A., F.E.S.

Authority: "British Orthoptera" (Ray Society), 1920. Most recent
list—"Entomologist."

See also Söhr. F.J. B. - 28th Ann. Rep. L. & C. Ent. Soc. 1904.

Anisolabis annulipes Luc. **C.** o.

***Labidura riparia** Pall. **L.** o.

Labia minor L. **L.** **C.** c. III., 90.

Prolabia arachidis Ters. **C.** o.

Forficula auricularia L. **L.** **C.** a. The form **forcipata** Steph. has been
reported from Manchester and Southport. III., 91, 13; IV., 337.

***Anechura lewisi** Burr. **L.** o.

Ectobius lapponicus L. **L.** **C.** Form **perspicillaris** Herbst. **C.**

Blattella germanica L. **L.** **C.** III., 91.

Blatta orientalis L. **L.** **C.** a. III., 91, 13.

Periplaneta americana L. **L.**

P. australasiae Fabr. **L.**

Leucophaea surinamensis L. **L.**

***Nyctibora holosericea** Burm. **L.** (*Nyctibora sericea* in Hincks (1956))

***Phoraspis leucogramma** Perty. **L.**

***Epilampra caraibaea** Sauss. **L.**

***E. burmeisteri** Guer. **L.**

***Panchlora virescens** Thunb.

***P. nivea** L.

***P. viridis** F.

***Blabera gigantea** L. **L.** o.

Gryllotalpa gryllotalpa L. **L.**

Gryllus domesticus L. **L.** **C.** IV., 337.

***G. bimaculatus** DeG. **L.**

Pholidoptera griseoaptera DeG. **C.**

Meconema thalassinum DeG. **L.**

***Phaneroptera quadripunctata** Brunn. **C.** IX., 9.

Tetrix bipunctatus L. **L.** **C.** c. III., 13.

Gomphocerus maculatus Thunb. **L.** **C.** a. III., 13.

Omocestus viridulus L. **L.** **C.** c. III., 91; VIII., 10.

Stauroderus bicolor Charp. **L.** **C.** c.

Chorthippus elegans Charp. **L.** **C.** l. III., 91.

C. parallelus Zett. **L.** **C.** w. III., 13; VIII., 11.

***Acridium aegyptium** L. **L.** **C.**

***Sohistocerca peregrina** Oliv. **L.** **C.**

* Casuals.

Note - we have a card for Pachytulus danicus but it is not included in above list. Very doubtful record - not in Söhr 1904 either.
